

INSTRUCTOR'S TRAINING LOG

On the reverse side of this form is a monthly log of Student Parachutist training carried out, including Basic Courses, refresher training, briefs, despatching, for renewal of the Category System Instructor (CSI) rating. Also, there is a log for the renewal of an Accelerated Free Fall Instructor (AFFI) rating and one for the Tandem Instructor (TI) rating.

It is recommended that you as an instructor maintain this log, as this will assist your Club Chief Instructor (CCI) and/or an Instructor Examiner (IE) to assess your currency, at renewal time, in any aspect of the instructor rating you wish to renew.

It is suggested that you maintain this log on a monthly basis and ask your CCI to sign the bottom of the log each month, thus verifying the work carried out during that month.

It should be noted that the maintenance of the log should be your responsibility and not the CCI. However, the log could be kept at your Club for easy access.

It is not mandatory that this log be maintained. However, without it, it may be difficult to obtain signatures from CCIs and/or Examiners at BPA membership renewal time, if you instruct at several Clubs, or do not have an Instructor Examiner at your regular Club.
